COMMITTEE ON SMALL BUSINESS

WASHINGTON, DC 20510-6350

August 16, 2001

The Honorable John Ashcroft
Attorney General
Department of Justice
950 Pennsylvania Avenue NW, # 5137
Washington, DC 20530

Dear Mr. Attorney General:

On May 9, 2001, we wrote you concerning training requirements for acquisition personnel at the Department of Justice. This letter requested a response by June 15, 2001. To date, unfortunately, we have not received a reply from your Department.

This inquiry into the state of civilian agency acquisition training is one we have undertaken as part of our oversight responsibilities. Under Rule XXV of the Standing Rules of the Senate, the Committee on Small Business and Entrepreneurship is charged with investigating "all problems of American small business enterprises." Insufficient understanding of small business procurement programs by contracting staff, we believe, is one such problem that impedes small business access to Federal contracting opportunities.

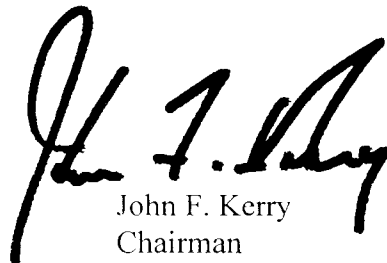

Accordingly, we are sending this reminder, again asking that you respond to our previous letter. For your convenience, this letter (including the questions) is attached. We would appreciate your response to each of the specific questions posed.

We look forward to your detailed response, and ask that you respond by September 15, 2001. If you have questions on this matter, the staff contacts are Cordell Smith (for Senator Bond) and John DaSilva (for Senator Kerry). Both may be reached at the Committee on Small Business and Entrepreneurship at (202)224-

Sincerely,

Christopher S. Bond
